

## **Phathom Pharmaceuticals Announces Closing of Underwriters' Option to Purchase Additional Shares in Connection with Public Offering of Common Stock**

June 9, 2023

FLORHAM PARK, N.J., June 09, 2023 (GLOBE NEWSWIRE) -- Phathom Pharmaceuticals, Inc. (Nasdaq: PHAT), a biopharmaceutical company focused on developing and commercializing novel treatments for gastrointestinal diseases, announced today the closing of the sale of an additional 1,668,750 shares of common stock at a public offering price of \$11.75 per share pursuant to the exercise in full of the underwriters' option to purchase additional shares in connection with Phathom's recently completed public offering. After giving effect to the sale of these additional shares, the total gross proceeds to Phathom from the offering were approximately \$150.3 million, before deducting the underwriting discounts and commissions and other offering expenses.

Phathom intends to use the net proceeds from the offering to fund the clinical development of vonoprazan, pre-commercial activities and commercialization expenses and for working capital and general corporate purposes.

Jefferies and Evercore ISI acted as joint bookrunning managers for the offering. Needham & Company acted as lead manager for the offering.

The securities described above were offered by Phathom pursuant to a shelf registration statement previously filed and declared effective by the Securities and Exchange Commission (SEC). A final prospectus supplement relating to the offering has been filed with the SEC.
