**PROXY STATEMENT FOR THE 2022 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON WEDNESDAY, MAY 25, 2022**

The board of directors of Phathom Pharmaceuticals, Inc. is soliciting the enclosed proxy for use at the annual meeting of stockholders, including at any adjournments or postponements of the meeting, to be held virtually at www.virtualshareholdermeeting.com/PHAT2022, on May 25, 2022 at 11:30 a.m., Eastern Time.

We have elected to take advantage of Securities and Exchange Commission rules that allow companies to furnish proxy materials to their stockholders by providing access to these documents on the Internet instead of mailing printed copies. Those rules allow a company to provide its stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of the annual meeting. Most of our stockholders will not receive printed copies of our proxy materials unless requested, but instead will receive a notice with instructions on how they may access and review our proxy materials on the Internet and how they may cast their vote via the Internet. If you would like to receive a printed or e-mail copy of our proxy materials, please follow the instructions for requesting the materials in the Notice of Internet Availability that is being sent to you.

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. Accordingly, we have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies and we are not required to include a Compensation Discussion and Analysis section in this proxy statement. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which votes must be conducted.

**Important Notice Regarding the Availability of Proxy Materials for
the Annual Meeting of Stockholders to be Held on May 25, 2022:**

This proxy statement and our Annual Report on Form 10-K are available electronically at www.proxyvote.com.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

We have prepared these proxy materials, including this proxy statement and the related proxy card, because our board of directors is soliciting your proxy to vote at the 2022 annual meeting of stockholders. This proxy statement summarizes information related to your vote at the annual meeting. All stockholders who find it convenient to do so are cordially invited to attend the annual meeting via live webcast. However, you do not need to attend the meeting to vote your shares. Instead, you may simply submit your proxy via the Internet in accordance with the instructions provided on the Notice of Internet Availability of Proxy Materials or if you elected to receive printed copies of the proxy materials, you may submit your proxy via telephone or by completing, signing and returning the enclosed proxy card.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

In accordance with rules of the Securities and Exchange Commission, or SEC, we use the Internet as the primary means of furnishing proxy materials to our stockholders. Accordingly, we are sending a Notice of Internet

Availability of Proxy Materials to our stockholders with instructions on how to access the proxy materials over the Internet or request a printed copy of the materials, and for voting over the Internet.

Stockholders may follow the instructions in the Notice of Internet Availability of Proxy Materials to elect to receive future proxy materials in print by mail or electronically by email. We encourage our stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings and reduce the cost to us associated with the printing and mailing of materials.

We intend to mail the Notice of Internet Availability of Proxy Materials on or before April 12, 2022 to all stockholders of record entitled to vote at the annual meeting. You will need the 16-digit control number provided on the Notice of Internet Availability of Proxy Materials or your proxy card (if applicable).

Why are you holding a virtual meeting instead of a physical meeting?

We are excited to embrace technology and provide expanded access, improved communication and cost savings for our company and our stockholders. We believe that hosting a virtual meeting will enable more of our stockholders to attend and participate in the meeting because our stockholders can participate from any location around the world with Internet access. We also believe holding a virtual meeting this year will help safeguard the health of all meeting participants in view of continued concerns regarding the ongoing coronavirus pandemic.

What if I have trouble accessing the Annual Meeting virtually?

The virtual meeting platform is fully supported across browsers (Internet Explorer, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most up-to-date version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection wherever they intend to participate in the meeting. We encourage you to access the meeting prior to the start time. A link on the meeting page will provide further assistance should you need it.

Only stockholders of record at the close of business on the record date for the 2022 annual meeting, March 30, 2022, are entitled to vote at the annual meeting. At the close of business on this record date, there were 39,072,027 shares of our common stock outstanding. Common stock is our only class of stock entitled to vote.

Stockholders of Record: Shares Registered in Your Name

If, on the record date, your shares were registered directly in your name with the transfer agent for our common stock, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote your shares by proxy via the Internet by visiting www.proxyvote.com, by telephone or by mail. You will need the 16-digit control number included on your Notice of Internet Availability of Proxy Materials or your proxy card (if applicable). Whether or not you plan to participate in the virtual annual meeting, we encourage you to vote by proxy via the Internet, by telephone or by mail, as instructed below to ensure your vote is counted.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If, on the record date, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the virtual annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting, but you will need the 16-digit control number provided on the voting instructions that accompanied your proxy materials from your broker, bank or other agent.

What am I voting on?

There are two proposals scheduled for a vote:

Proposal 1: To elect two directors to serve as Class III directors for a three-year term.

Proposal 2: To consider and vote upon the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2022.

How many votes do I have?

Each share of our common stock that you own as of March 30, 2022 entitles you to one vote.

How do I vote?

With respect to the election of directors, you may either vote “For” all of the nominees to the board of directors or you may “Withhold” your vote for any nominee you specify. With respect to the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, you may vote “For,” “Against” or “Abstain” from voting.

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record, there are several ways for you to vote your shares. Whether or not you plan to attend the meeting, we urge you to vote by proxy prior to the virtual annual meeting to ensure that your vote is counted.

- **Via the Internet:** You may vote at www.proxyvote.com, 24 hours a day, seven days a week, by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Votes submitted via the Internet must be received by 11:59 p.m., Eastern Time, on May 24, 2022.
- **By Telephone:** If you request printed copies of the proxy materials by mail, you may vote using a touch-tone telephone by calling (800) 690-6903, 24 hours a day, seven days a week. Have your proxy card available when you call and use the 16-digit control number shown on your Notice of Internet Availability or your proxy card (if applicable). Votes submitted by telephone must be received by 11:59 p.m., Eastern Time, on May 24, 2022.
- **By Mail:** If you request printed copies of the proxy materials by mail, you may vote using your proxy card by completing, signing, dating and returning the proxy card in the self-addressed, postage-paid envelope provided. If you properly complete your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed.
- **At the Virtual Annual Meeting:** You may still attend the virtual annual meeting and vote during the meeting even if you have already voted by proxy. To vote during the meeting visit www.virtualshareholdermeeting.com/PHAT2022 on the day of the meeting; you will need the 16-digit control number provided on the Notice of Internet Availability of Proxy Materials or your proxy card (if applicable).

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received voting instructions from that organization rather than directly from us. Please check with your bank, broker, or other agent and follow the voting instructions they provide to vote your shares. Generally, you have three options for returning your proxy.

- **By Method Listed on Voting Instruction Card:** Please refer to your voting instruction card or other information provided by your bank, broker or other agent to determine whether you may vote by telephone or electronically on the Internet and follow the instructions on the voting instruction card or other information provided by your broker, bank or other agent. A large number of banks and brokerage firms offer Internet and telephone voting. If your bank, broker or other agent does not offer Internet or telephone voting information, please follow the other voting instructions they provide to vote your shares.
- **By Mail:** You may vote by signing, dating and returning your voting instruction card in the pre-addressed envelope provided by your broker, bank or other agent.
- **At the Virtual Annual Meeting:** To vote at the virtual annual meeting, visit www.virtualshareholdermeeting.com/PHAT2022 on the day of the meeting; you will need the 16-digit control number provided on the voting instructions that accompanied your proxy materials from your broker, bank or other agent. If you do not have a 16-digit control number, you will be able to join the virtual annual meeting as a “guest,” but will **not** be able to vote or ask questions at the meeting.

May I revoke my proxy?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the three following ways:

- you may send in another signed proxy with a later date,
- you may authorize a proxy again on a later date on the Internet (only the latest Internet proxy submitted prior to the annual meeting will be counted), or
- you may notify our corporate secretary, Larry Miller, at 100 Campus Drive, Suite 102, Florham Park, New Jersey 07932, in writing before the annual meeting that you have revoked your proxy, after which you are entitled to submit a new proxy or vote during the virtual annual meeting.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of holders representing a majority of our outstanding common stock as of March 30, 2022, or approximately 19,536,014 shares, constitutes a quorum at the meeting, permitting us to conduct our business.

What vote is required to approve each proposal?

Proposal 1: Election of Directors. The two nominees who receive the most “For” votes (among votes properly cast in person or by proxy) will be elected. Only votes “For” or “Withhold” will affect the outcome.

Proposal 2: Ratification of Independent Registered Public Accounting Firm. The ratification of the appointment of Ernst & Young LLP must receive “For” votes from the holders of a majority in voting power of the votes cast affirmatively or negatively on the proposal. Only votes “For” or “Against” will affect the outcome.

Voting results will be tabulated and certified by the inspector of election appointed for the annual meeting.

How will my shares be voted if I do not specify how they should be voted?

If you are a stockholder of record and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board, then your shares will be voted at the annual meeting in accordance with the Board’s recommendation on all matters presented for a vote at the annual meeting. Similarly, if you sign and return a proxy card but do not indicate how you want to vote your shares for a particular proposal or for all of the proposals, then for any proposal for which you do not so indicate, your shares will be voted in accordance with the Board’s recommendation.

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, then the organization that holds your shares may generally vote your shares in their discretion on “routine” matters but cannot vote on “non-routine” matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on that matter with respect to your shares. This is generally referred to as a “broker non-vote.”

What is the effect of withheld votes, abstentions and broker non-votes?

Shares of common stock held by persons attending the virtual annual meeting but not voting, and shares represented by proxies that reflect withheld votes or abstentions as to a particular proposal, will be counted as present for purposes of determining the presence of a quorum. Abstentions are not an affirmative or negative vote on a proposal, so abstaining does not count as a vote cast and has no effect for purposes of determining whether our stockholders have ratified the appointment of Ernst & Young LLP, our independent registered public accounting firm. The election of directors is determined by a plurality of votes cast, so a “Withhold” vote will not be counted in determining the outcome of such proposal.

Shares represented by proxies that reflect a broker non-vote will be counted as present for purposes of determining the presence of a quorum exists. As discussed above, a broker non-vote occurs when an organization holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares for certain non-routine matters. With regard to the election of directors, which is considered a non-routine matter, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. However, ratification of the appointment of Ernst & Young LLP is considered a routine matter on

which a broker or other nominee has discretionary authority to vote. Accordingly, no broker non-votes will likely result from this proposal.

How does the Board recommend that I vote?

The Board recommends that you vote:

- “**For**” each of the nominees for election as director; and
- “**For**” the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

If you vote via the Internet, by telephone, or sign and return the proxy card by mail but do not make specific choices, your shares, as permitted, will be voted as recommended by our board of directors. If any other matter is presented at the annual meeting, your proxy will vote in accordance with his or her best judgment. As of the date of this proxy statement, we know of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

Who is paying the costs of soliciting these proxies?

We will pay all of the costs of soliciting these proxies. Our directors, officers and other employees may solicit proxies in person or by mail, telephone, fax or email. We will not pay our directors, officers and other employees any additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses. Our costs for forwarding proxy materials will not be significant.

How do I obtain an Annual Report on Form 10-K?

If you would like a copy of our Annual Report on Form 10-K for the year ended December 31, 2021 that we filed with the SEC on March 1, 2022, we will send you one without charge. Please write to:

Phathom Pharmaceuticals, Inc.
100 Campus Drive, Suite 102
Florham Park, NJ 07932
Attn: Corporate Secretary

All of our SEC filings are also available free of charge in the “Investors & Media—Financials & Filings—SEC Filings” section of our website at www.phathompharma.com.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our current report on Form 8-K to be filed with the SEC within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Our board of directors is divided into three classes, with one class of our directors standing for election each year, generally for a three-year term. Directors for each class are elected at the annual meeting of stockholders held in the year in which the term for their class expires and hold office until the third annual meeting following election and until such director's successor is elected and qualified, or until such director's earlier death, resignation or removal. In August 2021, the Chairman of our Board of Directors and Class III director, Tadataka Yamada, M.D., unexpectedly passed away. Accordingly, and as detailed in the section below, the composition of our board of directors is as follows: Class I consists of Terrie Curran and Mark Stenhouse; Class II consists of Michael F. Cola and Asit Parikh, M.D., Ph.D.; and Class III consists of Heidi Kunz and David Socks.

At this meeting, two nominees for director are to be elected as Class III directors for a three-year term expiring at our 2025 annual meeting of stockholders and until their successors are duly elected and qualified. The nominees, who were recommended for nomination by the nominating and corporate governance committee of our board of directors, are Heidi Kunz and David Socks. The Class I directors have one year remaining on their terms of office and the Class II directors have two years remaining on their terms of office.

If no contrary indication is made, proxies in the accompanying form are to be voted for Ms. Kunz and Mr. Socks, or in the event that Ms. Kunz and Mr. Socks is not a candidate or is unable to serve as a director at the time of the election (which is not currently expected), for any nominee who is designated by our board of directors to fill the vacancy. Each of Ms. Kunz and Mr. Socks is currently a member of our board of directors.

All of our directors bring to the board of directors' significant leadership experience derived from their professional experience and service as executives or board members of other corporations and/or private equity and venture capital firms. The process undertaken by the nominating and corporate governance committee in recommending qualified director candidates is described below under "Director Nomination Process." Certain individual qualifications and skills of our directors that contribute to the board of directors' effectiveness as a whole are described in the following paragraphs.

Mr. Cola received his Bachelor of Arts degree in biology and physics from Ursinus College and his Master of Science degree in biomedical science from Drexel University. Mr. Cola's executive experience in the biopharmaceutical industry, knowledge of our business and service as a director of other biopharmaceutical companies contributed to our board of directors' conclusion that he should serve as a director of our company.

Asit Parikh, M.D., Ph.D. joined our board of directors in December 2019. Dr. Parikh has served as the Chief Executive Officer of MOMA Therapeutics since April 2021. From October 2014 through March 2021, Dr. Parikh served as the Senior Vice President and head of the Gastrointestinal Therapeutic Area Unit at Takeda Pharmaceuticals. Prior to that, Dr. Parikh served in various positions at Takeda since 2006. Dr. Parikh received a bachelor's degree in Biochemistry and Molecular Biology from Northwestern University and an M.D. and Ph.D. in Biochemistry and Molecular Biology from Vanderbilt University School of Medicine. He completed his internal medicine residency at the University of Pennsylvania and completed specialty training in gastroenterology at the Massachusetts General Hospital. He also completed postdoctoral work in cancer biology at Massachusetts Institute of Technology. Dr. Parikh's extensive knowledge of our business and prior oversight of the Takeda team bringing vonoprazan to the Japanese market in seven indications contributed to our board of directors' conclusion that he should serve as a director of our company.

Director Independence

Our board of directors currently consists of six members. Our board of directors has determined that Mr. Cola, Ms. Kunz, Mr. Stenhouse, and Dr. Parikh are independent directors in accordance with the listing requirements of the Nasdaq Global Select Market, or Nasdaq. The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

Board Leadership Structure

Our board of directors is currently led by its interim chairman, Michael Cola. Our board of directors recognizes that it is important to determine an optimal board leadership structure to ensure the independent oversight of management as the company continues to grow. We separate the roles of chief executive officer and chairman of the board of directors in recognition of the differences between the two roles. The chief executive officer is responsible for setting the strategic direction for the company and the day-to-day leadership and performance of the company, while the chairman of the board of directors provides guidance to the chief executive officer and presides over meetings of the full board of directors. We believe that this separation of responsibilities provides a balanced approach to managing the board of directors and overseeing the company.

Our board of directors has concluded that our current leadership structure is appropriate at this time. However, our board of directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Role of Board in Risk Oversight Process

Our board of directors has responsibility for the oversight of our risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from board committees and members of senior management to enable our board of directors to understand our risk

identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The audit committee reviews information regarding liquidity and operations, and oversees our management of financial risks. Periodically, the audit committee reviews our policies with respect to risk assessment, risk management, loss prevention, cybersecurity, and regulatory compliance. Oversight by the audit committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The compensation committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The nominating and corporate governance committee manages risks associated with the independence of the board of directors, corporate disclosure practices and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board of directors is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by our board of directors as a whole.

Board of Directors Meetings

Including telephonic meetings, our board of directors met seven times during fiscal year 2021. In that year, each director attended at least 75% of the total number of meetings held during such director's term of service by the board of directors and each committee of the board of directors on which such director served.

Board Committees and Independence

Our board of directors has established three standing committees—audit, compensation and nominating and corporate governance – each of which operates under a charter that has been approved by our board of directors.

Audit Committee

The audit committee's main function is to oversee our accounting and financial reporting processes and the audits of our financial statements. This committee's responsibilities include, among other things:

- appointing our independent registered public accounting firm;
- evaluating the qualifications, independence and performance of our independent registered public accounting firm;
- approving the audit and non-audit services to be performed by our independent registered public accounting firm;
- reviewing the design, implementation, adequacy and effectiveness of our internal accounting controls and our critical accounting policies;
- discussing with management and the independent registered public accounting firm the results of our annual audit and the review of our quarterly unaudited financial statements;
- reviewing, overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- reviewing on a periodic basis, or as appropriate, any investment policy and recommending to our board of directors any changes to such investment policy;
- reviewing with management and our auditors any earnings announcements and other public announcements regarding our results of operations;
- preparing the report from the committee that the SEC requires in our annual proxy statement;
- reviewing and approving any related party transactions and reviewing and monitoring compliance with our code of conduct and ethics; and

- reviewing and evaluating, at least annually, the performance of the audit committee and its members including compliance of the audit committee with its charter.

The members of our audit committee are Ms. Kunz, Mr. Cola and Mr. Stenhouse. Ms. Kunz serves as the chairperson of the committee. The audit committee met five times during fiscal year 2021. All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and Nasdaq. Our board of directors has determined that Ms. Kunz is an “audit committee financial expert” as defined by applicable SEC rules and has the requisite financial sophistication as defined under the applicable Nasdaq rules and regulations. Our board of directors has determined each of Ms. Kunz, Mr. Cola and Mr. Stenhouse is independent under the applicable rules of the SEC and Nasdaq. The audit committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq, which the audit committee will review and evaluate periodically.

Both our external auditor and internal financial personnel meet privately with the audit committee and have unrestricted access to this committee.

Compensation Committee

The compensation committee approves policies relating to compensation and benefits of our officers and employees. The compensation committee approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives and approves the compensation of these officers based on such evaluations. The compensation committee also approves the issuance of equity awards under our equity plan. The compensation committee will review and evaluate, at least annually, the performance of the compensation committee and its members, including compliance by the compensation committee with its charter.

The members of our compensation committee are Mr. Cola, Mr. Stenhouse, and Dr. Parikh. The compensation committee met five times during fiscal year 2021. Mr. Cola serves as the chairperson of the committee. Our board of directors has determined that each member of our compensation committee is independent under the applicable rules and regulations of Nasdaq and is a “non-employee director” as defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, or the Exchange Act. The compensation committee operates under a written charter, which the compensation committee will review and evaluate periodically.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee is responsible for assisting our board of directors in discharging the board’s responsibilities regarding the identification of qualified candidates to become board members, the selection of nominees for election as directors at our annual meetings of stockholders (or special meetings of stockholders at which directors are to be elected), and the selection of candidates to fill any vacancies on our board of directors and any committees thereof. In addition, the nominating and corporate governance committee is responsible for overseeing our corporate governance policies, reporting and making recommendations to our board of directors concerning governance matters and oversight of the evaluation of our board of directors.

The members of our nominating and corporate governance committee are Ms. Kunz and Dr. Parikh. Dr. Parikh serves as chairperson of the committee. The nominating and corporate governance committee met two times during fiscal year 2021. Our board has determined that each member of our nominating and corporate governance committee is independent under the applicable rules and regulations of Nasdaq relating to nominating and corporate governance committee independence. The nominating and corporate governance committee operates under a written charter, which the nominating and corporate governance committee will review and evaluate periodically.

Report of the Audit Committee of the Board of Directors

The audit committee oversees the company’s financial reporting process on behalf of our board of directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in the company’s annual report with management, including a discussion of any significant

changes in the selection or application of accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and the effect of any new accounting initiatives.

The audit committee reviewed with Ernst & Young LLP, which is responsible for expressing an opinion on the conformity of the company's audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the company's accounting principles and such other matters as are required to be discussed with the audit committee under generally accepted auditing standards and the matters listed in Public Company Accounting Oversight Board Auditing Standard No. 1301, *Communications with Audit Committees*. In addition, the audit committee has discussed with Ernst & Young LLP its independence from management and the company, has received from Ernst & Young LLP's written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the audit committee concerning independence, and has considered the compatibility of non-audit services with the auditors' independence.

The audit committee met with Ernst & Young LLP to discuss the overall scope of its services, the results of its audit and reviews, and the overall quality of the company's financial reporting. Ernst & Young LLP, as the company's independent registered public accounting firm, also periodically updates the audit committee about new accounting developments and their potential impact on the company's reporting. The audit committee's meetings with Ernst & Young LLP were held with and without management present. The audit committee is not employed by the company, nor does it provide any expert assurance or professional certification regarding the company's financial statements. The audit committee relies, without independent verification, on the accuracy and integrity of the information provided, and representations made, by management and the company's independent registered public accounting firm.

In reliance on the reviews and discussions referred to above, the audit committee has recommended to the company's board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2021. The audit committee and the company's board of directors also have recommended, subject to stockholder approval, the ratification of the appointment of Ernst & Young LLP as the company's independent registered public accounting firm for 2022.

This report of the audit committee is not "soliciting material," shall not be deemed "filed" with the SEC and shall not be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

The foregoing report has been furnished by the audit committee.

Respectfully submitted,

The Audit Committee of the Board of Directors
Heidi Kunz (chairperson)
Michael F. Cola
Mark Stenhouse

Compensation Committee Interlocks and Insider Participation

Mr. Cola (chairperson), Dr. Parikh, Mr. Stenhouse, Dr. Topper and Dr. Yamada served on our compensation committee during the 2021 fiscal year. None of the members of our compensation committee during the 2021 fiscal year has ever been one of our officers or employees. None of our executive officers currently serves, or has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Director Nomination Process

Director Qualifications

Our nominating and corporate governance committee is responsible for reviewing with the board of directors, on an annual basis, the appropriate characteristics, skills and experience required for the board of directors as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current members), the nominating and corporate governance committee, in recommending candidates for election, and the board of directors, in approving (and, in the case of vacancies, appointing) such candidates, will take into account many factors, including the following:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly-held company;
- experience as a board member or executive officer of another publicly-held company;
- strong finance experience;
- diversity of expertise and experience in substantive matters pertaining to our business relative to other members of our board of directors;
- diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience;
- experience relevant to our business industry and with relevant social policy concerns; and
- relevant academic expertise or other proficiency in an area of our business operations.

Currently, our board of directors evaluates each individual in the context of the board of directors as a whole, with the objective of assembling a group that can best maximize the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the nominating and corporate governance committee may also consider such other factors as it may deem to be in the best interests of our company and our stockholders. The nominating and corporate governance committee does, however, believe it appropriate for at least one, and preferably, several, members of our board of directors to meet the criteria for an “audit committee financial expert” as defined by SEC rules, and that a majority of the members of our board of directors meet the definition of “independent director” under Nasdaq qualification standards. The nominating and corporate governance committee also believes it is appropriate for our Chief Executive Officer to serve as a member of our board of directors.

Identification and Evaluation of Nominees for Directors

The nominating and corporate governance committee identifies nominees for director by first evaluating the current members of our board of directors willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee’s criteria for board of director service and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our board of directors with that of obtaining a new perspective or expertise.

If any member of our board of directors does not wish to continue in service or if our board of directors decides not to re-nominate a member for re-election or if the board of directors decides to expand the size of the board, the nominating and corporate governance committee identifies the desired skills and experience of a new nominee in light of the criteria above. The nominating and corporate governance committee generally polls our board of directors and members of management for their recommendations. The nominating and corporate governance committee may also review the composition and qualification of the boards of directors of our competitors and may seek input from industry experts or analysts. The nominating and corporate governance committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the members of the nominating and corporate governance committee and by certain of our other independent directors and executive

management. In making its determinations, the nominating and corporate governance committee evaluates each individual in the context of our board of directors as a whole, with the objective of assembling a group that can best contribute to the success of our company and represent stockholder interests through the exercise of sound business judgment. After review and deliberation of all feedback and data, the nominating and corporate governance committee makes its recommendation to our board of directors. Historically, the nominating and corporate governance committee has not relied on third-party search firms to identify director candidates. The nominating and corporate governance may in the future choose to do so in those situations where particular qualifications are required or where existing contacts are not sufficient to identify an appropriate candidate.

The nominating and corporate governance committee evaluates nominees recommended by stockholders in the same manner as it evaluates other nominees. We have not received director candidate recommendations from our stockholders, and we do not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by members of our board of directors, management or other parties are evaluated.

Under our amended and restated bylaws, a stockholder wishing to suggest a candidate for director should write to our corporate secretary and provide such information about the stockholder and the proposed candidate as is set forth in our amended and restated bylaws and as would be required by SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. In order to give the nominating and corporate governance committee sufficient time to evaluate a recommended candidate and include the candidate in our proxy statement for the 2023 annual meeting, the recommendation should be received by our corporate secretary at our principal executive offices in accordance with our procedures detailed in the section below entitled “Stockholder Proposals.”

The corporate secretary will forward such communications to each member of our board of directors; provided that, if in the opinion of our corporate secretary it would be inappropriate to send a particular stockholder communication to a specific director, such communication will only be sent to the remaining directors (subject to the remaining directors concurring with such opinion).

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Director Compensation

Our non-employee director compensation program provides for annual retainer fees and/or long-term equity awards for our non-employee directors. Each non-employee director receives an annual retainer of \$40,000. Non-employee directors serving as the chairs of the audit, compensation and nominating and corporate governance committees receive additional annual retainers of \$20,000, \$15,000 and \$10,000, respectively. Non-employee directors serving as members of the audit, compensation and nominating and corporate governance committees receive additional annual retainers of \$10,000, \$7,500 and \$5,000, respectively. Additionally, the non-executive chairman of the board receive an additional annual retainer of \$40,000. The non-employee directors also receive initial grants of options to purchase 20,000 shares of our common stock upon election to the board of directors, one-third of which will vest on the first anniversary of the grant date and the remainder of which will vest in quarterly installments over the following 24 months, and thereafter annual grants of options to purchase 12,500 shares (increased from 10,000 shares effective May 21, 2021) of our common stock, vesting on the first to occur of (1) the first anniversary of the grant date or (2) the next occurring annual meeting of our stockholders, in each case, subject to the non-employee director continuing in service on our board of directors through such vesting date.

Compensation under our non-employee director compensation program is subject to the annual limits on non-employee director compensation set forth in our 2019 Incentive Award Plan, or 2019 Plan. Our board of directors or its authorized committee may modify the non-employee director compensation program from time to time in the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, subject to the annual limit on non-employee director compensation set forth in the 2019 Plan. As provided in the 2019 Plan, our board of directors or its authorized committee may make exceptions to this limit for individual non-employee directors in extraordinary circumstances, as the board of directors or its authorized committee may determine in its discretion, provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation or in other compensation decisions involving non-employee directors.

We have reimbursed and will continue to reimburse all of our non-employee directors for their travel, lodging and other reasonable expenses incurred in attending meetings of our board of directors and committees of our board of directors.

The following table summarizes cash and stock compensation received by our non-employee directors during the year ended December 31, 2021. Mr. Socks served as a non-executive employee until March 2021 and has continued to serve as a strategic advisor since such date. Because he served as an employee until March 2021, Mr. Socks did not receive compensation under our non-employee director compensation program for the first two months of 2021, but he received this compensation following his transition to a non-employee director in March 2021. We have described Mr. Socks' compensation in his role as an employee and as a non-employee strategic advisor in 2021 under the "All Other Compensation" column below.

These amounts do not reflect whether the recipient has actually realized or will realize a financial benefit from the awards (such as by exercising stock options). Whether, and to what extent, a non-employee director realizes a financial benefit from the awards will depend on our actual operating performance, stock price fluctuations and the non-employee director's continued service on our board.
- (2) Dr. Parikh declined the compensation under our non-employee director compensation policy during the first quarter of 2021.
- (3) Mr. Socks was employed by us until March 2021 and thereafter continued to serve as a consultant during 2021. Any unvested shares held by Mr. Socks upon a termination of employment or service (after giving effect to any accelerated vesting provisions described further below), will be subject to repurchase by us at the original purchase price (\$0.0002958 per share). Vote Required; Recommendation of the Board of Directors

If a quorum is present and voting at the annual meeting, directors shall be elected by a plurality of votes cast, meaning that the two nominees receiving the highest number of shares voted "For" their election will be elected to our board of directors. Votes withheld from any nominee, abstention and broker non-votes will be counted only for purposes of determining a quorum and are not considered votes cast for the foregoing purpose. Broker non-votes will have no effect on this proposal as brokers or other nominees are not entitled to vote on such proposals in the absence of voting instructions from the beneficial owner.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF HEIDI KUNZ AND DAVID SOCKS, PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE.

**PROPOSAL 2:
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee has selected Ernst & Young LLP as the company's independent registered public accounting firm for the year ending December 31, 2022 and has further directed that management submit the selection of independent registered public accounting firm for ratification by the stockholders at the annual meeting. Ernst & Young LLP has audited the company's financial statements since our inception in 2019. Representatives of Ernst & Young LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Ernst & Young LLP as the company's independent registered public accounting firm is not required by Delaware law, the company's amended and restated certificate of incorporation, or the company's amended and restated bylaws. However, the audit committee is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent registered accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of the company and its stockholders.

Independent Registered Public Accounting Firm's Fees

The following table represents aggregate fees billed to us for services related to the fiscal year ended December 31, 2021, by Ernst & Young LLP, our independent registered public accounting firm.

	Year Ended December 31, 2021
Audit Fees (1)	\$ 740,000
All Other Fees	—
Total	\$ 740,000

- (1) Audit Fees consist of fees billed for professional services performed by Ernst & Young LLP for the audit of our annual financial statements, quarterly reviews of our financial statements, services related to proposed registered stock offerings, consents and review of documents filed with the SEC, and related services that are normally provided in connection with statutory and regulatory filings or engagements.

The audit committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Ernst & Young LLP, and has concluded that the provision of such services is compatible with maintaining the independence of our auditors.

Pre-Approval Policies and Procedures

Our audit committee has established a policy that all audit and permissible non-audit services provided by our independent registered public accounting firm will be pre-approved by the audit committee, and all such services were pre-approved in accordance with this policy during the fiscal year ended December 31, 2021. These services may include audit services, audit-related services, tax services and other services. The audit committee considers whether the provision of each non-audit service is compatible with maintaining the independence of our auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date.

Vote Required; Recommendation of the Board of Directors

The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively on the proposal will be required to ratify the selection of Ernst & Young LLP, meaning the number of shares voted “For” the proposal must exceed the number of shares voted “Against” the proposal. Abstentions will not be counted toward the tabulation of votes cast on this proposal and will have no effect on the proposal. The approval of Proposal 2 is a routine proposal on which a broker or other nominee has discretionary authority to vote. Accordingly, no broker non-votes will likely result from this proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE.

**SECURITY OWNERSHIP OF CERTAIN
BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information relating to the beneficial ownership of our common stock as of March 30, 2022, by:

- each of our named executive officers;
- each of our directors;
- all directors and executive officers as a group; and
- each person or group of affiliated persons known by us to beneficially own more than 5% of our common stock.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which a person has sole or shared voting power or investment power. Applicable percentage ownership is based on 39,072,027 shares of common stock outstanding on March 30, 2022. - (1) Represents the portion of Mr. Guzzo’s 2021 annual bonus corresponding to the discretionary increase in such bonus payout as approved by our compensation committee in recognition of his enhanced responsibilities as our interim principal financial officer during 2021.
- (2) The amounts are valued based on the aggregate grant date fair value of the stock and option awards granted in the applicable year in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or ASC 718. See Note 7 to our financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021, filed with the SEC on March 1, 2022, for a discussion of the relevant assumptions used in determining the grant date fair value pursuant to ASC 718. These amounts do not reflect whether the recipient has actually realized or will realize a financial benefit from the awards (such as by exercising stock options). With respect to the performance-based stock units (“PSUs”) granted to our named executive officers during each of 2020 and 2021, the grant date fair value was determined by multiplying the closing price per share of our common stock on the date of grant by the number of PSUs awarded. Whether, and to what extent, a named executive officer realizes a financial benefit from the awards will depend on our actual operating performance, stock price fluctuations and the named executive officer’s continued employment or service.
- (3) This column reflects the annual bonuses paid to our named executive officers for 2020 and 2021. The annual bonuses for the executives were prorated to reflect the portion of the calendar year that they were employed by us, if applicable.
- (4) Includes the value of matching contributions to the 401(k) Plan, which were made in the form of fully vested shares of our common stock.
- (5) Reflects Mr. Guzzo’s 2021 salary of \$285,000 for the period January 1, 2021 through March 14, 2021, \$302,500 for the period March 15, 2021 through May 31, 2021, during which time he served as our Contoller, and his salary of \$337,500 for the period June 1, 2021 through December 31, 2021 during which time he served as our Chief Accounting Officer.

Narrative Disclosure to Summary Compensation Table

Annual Base Salary

The compensation of our named executive officers is generally determined and approved at the time of their commencement of employment by our board of directors or the compensation committee. Additionally, our board of directors or the compensation committee periodically reviews our named executive officers’ base salaries annually and may make adjustments based on its review.

In July 2021, our Board of Directors approved merit salary increases for each of our named executive officers as follows:

Executive	2020 Base Salary (\$)	2021 Base Salary (\$)
Terrie Curran	535,000	600,000
Azmi Nabulsi	482,500	500,000
Anthony Guzzo	285,000	337,500(1)

(1) Our Board approved an increase to Mr. Guzzo's base salary to \$302,500 on March 15, 2021, which was subsequently increased by our board of directors to \$337,500 upon Mr. Guzzo's appointment as our Chief Accounting Officer on June 1, 2021.

Bonus Compensation

Each named executive officer is also eligible for a performance bonus based upon the achievement of certain corporate performance goals and objectives approved by our board of directors.

Bonus target amounts are set based on the executive's base salary as of the end of the bonus year and are generally paid in the first quarter of the following year. The target levels for executive bonuses for 2021 were as follows: 60% of base salary for Ms. Curran, 50% of base salary for Dr. Nabulsi, and 30% of base salary for Mr. Guzzo.

For 2021, the board of directors (considering the recommendations of the compensation committee and management) set corporate goals and milestones for the year. These goals and milestones and the proportional emphasis placed on each were set by the board of directors after considering management input and our overall strategic objectives. These goals generally related to factors such as financial targets, achievement of product development objectives and achievement of product regulatory milestones. The board of directors, upon recommendation of the compensation committee, determines the level of achievement of the corporate goals for each year.

All final bonus payments to our named executive officers are determined by our compensation committee. The actual bonuses awarded in any year, if any, may be more or less than the target, depending on the achievement of corporate objectives and may also vary based on other factors at the discretion of the compensation committee.

For 2021, corporate objectives fell into the following three categories: regulatory, clinical and supply chain developments (70%); commercial (20%), and culture and financial goals (10%).

In evaluating management's performance against our 2021 corporate goals, our compensation committee determined to award a corporate achievement level of 116.375% relative to those goals, noting our achievements in both regulatory, clinical and operational progress, including positive topline data readouts from both of our Phase 3 clinical trials and submission of our new drug applications, or NDAs, for two vonoprazan-based regimens for the treatment of *H. pylori* infection. Both qualitative and quantitative guidelines were established for purposes of evaluating performance relative to the corporate objectives during 2021. These performance objectives were used as a guide by the compensation committee in subjectively determining overall corporate performance as they represented those areas in which the named executive officers and our employees generally were expected to focus their efforts.

The compensation committee approved an additional payout to Mr. Guzzo of \$22,911 in recognition of his enhanced responsibilities as our interim principal financial officer during 2021 following his predecessor's departure. The annual performance bonuses paid to our named executive officers for 2021 are set forth in the "Summary Compensation Table" above.

Equity-Based Incentive Awards

Our equity-based incentive awards are designed to align our interests and the interests of our stockholders with those of our employees and consultants, including our named executive officers. Our board of directors or the compensation committee approves equity grants. We grant equity awards under our 2019 Incentive Award Plan, or 2019 Plan.

In 2021, Ms. Curran, Dr. Nabulsi, and Mr. Guzzo were each awarded a stock option grant under our 2019 Plan of 225,000, 150,000, and 24,250 stock options, respectively. These stock options have a ten-year term and an exercise price of \$39.11 per share, the closing price of our common stock on the date of grant. These options will vest over a four-year period, with 25% of the stock options vesting on the first anniversary of the grant date and the remaining stock options vesting in 36 equal monthly installments thereafter, subject to each of their continued employment or service on each vesting date.

For a description of the accelerated vesting applicable to Ms. Curran's or Dr. Nabulsi's stock awards, see "Employment Letters with Our Named Executive Officers" and "Other Elements of Compensation--Change in Control Benefits" below.

In addition, in 2021, Mr. Guzzo was granted a total of 10,000 PSUs under the 2019 Plan. The PSUs vest upon the approval by the FDA of vonoprazan for *H. pylori* and then, or concurrent with, erosive esophagitis, subject to the executive's continued employment or service through such event. The PSUs will vest in full upon a change in control as defined in the 2019 Plan.

(1) The stock options vest over a period of four years from the date of grant, with 25% vesting on the first anniversary of the grant date and the remainder vesting in 36 equal monthly installments thereafter, subject to the executive's continuous

- service through each vesting date. The stock options have a term of ten years from the date of grant. The stock options will be subject to accelerated vesting pursuant to the employment letters with our named executive officers and the equity plans pursuant to which such stock options were granted, as described elsewhere in this "Executive Compensation and Other Information" and "Other Elements of Compensation--Termination and Change in Control Benefits" sections.
- (2) The market value was computed using \$19.67 per share, which is the closing price per share of our common stock on December 31, 2021, the last trading day of 2021.
 - (3) Represents PSUs that vest upon the approval by FDA of vonoprazan for *H. pylori* and then, or concurrent with, erosive esophagitis, subject to executive's continued employment or service through such event. The PSUs will vest in full upon a change in control as defined in the 2019 Plan. Each PSU represents the right to receive one share of our common stock upon vesting of the underlying PSU.
 - (4) On March 13, 2019, we issued and sold shares of restricted stock to Dr. Nabulsi for a per share purchase price of \$0.0002958. These shares vest over a period of four years from the date of grant, with 25% vesting on the first anniversary of the grant date and the remainder vesting in 36 equal monthly installments thereafter, subject to the executive's continuous service through each vesting date. Under the restricted stock agreement with Dr. Nabulsi, 100% of any unvested shares will automatically accelerate and vest upon Dr. Nabulsi's termination by us without cause or by the executive for good reason following a change in control. In addition, in the event of Dr. Nabulsi's termination by us without cause or by Dr. Nabulsi for good reason prior to a change in control, such number of shares will accelerate and vest upon such termination as would have vested during the 12 month period following the date of termination.

Other Elements of Compensation

Perquisites, Health, Welfare and Retirement Benefits

Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, group life, disability, accidental death and dismemberment insurance plans, and 401(k) plan, in each case on generally the same basis as all of our other employees. We also pay a portion of the premiums for term life insurance and disability insurance for all of our employees, including our named executive officers. Our board of directors may elect to adopt additional benefit plans, qualified or non-qualified, in the future if it determines that doing so is in our best interests.

We generally do not provide other perquisites or personal benefits to our named executive officers.

401(k) Plan

We maintain a 401(k) plan intended to qualify as a tax-qualified plan under Section 401 of the U.S. Internal Revenue Code of 1986, as amended, which our US-based named executive officers are eligible to participate in on the same basis as our other employees. The 401(k) plan allows us to make discretionary matching contributions. In August 2021, our board of directors approved a discretionary match for the first half of 2021, which was equal to 75% of each employee's contribution from January 1, 2021 through June 30, 2021, up to the IRS maximum contribution amount of \$19,500. In January 2022, our board of directors approved a discretionary match for the second half of 2021, which was equal to 75% of each employee's annual contribution, up to the IRS maximum contribution amount of \$19,500, less the matching contribution made for the first half of 2021. Each 2021 match under our 401(k) plan was made in the form of fully vested shares of our common stock.

Termination and Change in Control Benefits

Our named executive officers may become entitled to certain benefits or enhanced benefits in connection with certain qualifying terminations and/or a change in control of our company. The employment letters with Ms. Curran and Dr. Nabulsi entitle them, and our Severance Plan entitles Mr. Guzzo, to certain accelerated vesting of equity awards, as well as certain other benefits, upon a qualifying termination and/or in connection with a change in control of our company. For additional discussion, please see "Employment Letters with Our Named Executive Officers" above. The restricted stock held by Dr. Nabulsi will also vest in full or in part upon a qualifying termination and/or in connection with a change in control of our company, as further described in footnote (4) to the "Outstanding Equity Awards at Fiscal Year End" table above. In addition, the PSUs granted to each named executive officer will vest in full upon a change in control as defined in the 2019 Plan.

In the event of a change in control where the acquirer does not assume awards granted our equity plans, awards issued under these plans shall be subject to accelerated vesting such that 100% of the awards will become vested and

exercisable or payable, as applicable, and which may be subject to such terms and conditions as apply generally to holders of common stock under the change in control documents.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, officers and beneficial owners of 10% or more of our common shares to file reports with the SEC. We assist our directors and officers by monitoring transactions and completing and filing these reports on their behalf. Based on our records and other information, we believe that all reports, except one, that were required to be filed under Section 16(a) during 2021, were timely filed. The Form 4 filing for Mr. Cola did not reflect shares that he acquired upon the closing of our initial public offering in October 2019. These holdings were reflected in an amended Form 4 filing.

Mr. Cola filed a late Form 4 on February 17, 2022, to report a purchase of common stock made at the time of our initial public offering in October 2019.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

We describe below the transactions and series of similar transactions, since January 1, 2020 to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or, to our knowledge, beneficial owners of more than 5% of our capital stock or any member of their immediate family had or will have a direct or indirect material interest.

Commercial Supply Agreement

On May 5, 2020, the Company entered into a Commercial Supply Agreement (the “Commercial Supply Agreement”) with Takeda, pursuant to which Takeda will supply commercial quantities of vonoprazan bulk drug product. Pursuant to the Commercial Supply Agreement, Takeda has agreed to supply the Company with, and the Company has agreed to purchase from Takeda, certain quantities of vonoprazan bulk drug product according to approved specifications at a fixed price per batch of bulk drug product in order to commercialize vonoprazan in accordance with the Takeda License. Unless terminated earlier, the term of the Commercial Supply Agreement extends for a period of two years from the date the Company places an order for bulk drug product for the first commercial launch of vonoprazan in any jurisdiction in the licensed territory, provided that this two-year period will expire no later than December 31, 2023. The Commercial Supply Agreement will terminate immediately upon the termination of the Takeda License in accordance with its terms. As of December 31, 2021 and 2020, the Company had \$0.7 million and \$0.2 million, respectively, in outstanding accounts payable and accrued expenses related to these product costs. For the years ended December 31, 2021 and 2020, the Company incurred \$1.8 million and \$0.3 million, respectively, of expenses related to the Commercial Supply Agreement. Pursuant to the Temporary Services Agreement, Takeda agreed to provide or procure the provision of services related to the ongoing clinical development of vonoprazan.

The Temporary Services Agreement will terminate immediately upon termination of the Takeda License in accordance with its terms. As of December 31, 2021 and 2020, the Company had \$0.2 million and \$0.2 million, respectively, in outstanding accounts payable and accrued expenses related to these temporary services. For the year ended December 31, 2021 and 2020, the Company incurred \$0 and \$0.2 million, respectively, of expenses related to the temporary services performed by Takeda.

Shared Operating Expenses

FLS IX is a principal stockholder of the Company and until May 21, 2021, was represented on our board of directors.

For the years ended December 31, 2021 and 2020, we conducted a portion of our operations within office space controlled by FLS IX and FLS IX allocated a percentage of the costs associated with this office to us. In addition, FLS IX paid for various goods and services, such as employee wages, insurance and expense reimbursements and various administrative services associated with our operations and charged us for those expenses. As of December 31, 2021 and 2020, the Company had outstanding accounts payable and accrued expenses due to Frazier in the amount of \$0 and \$35,000, respectively, related to these shared operating expenses. Employment Letters

We have entered into employment letters with our executive officers. For more information regarding these agreements, see “Executive Compensation and Other Information—Narrative Disclosure to Summary Compensation Table— Employment Letters with Our Named Executive Officers.”

Indemnification

We have entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us or will require us to indemnify each director (and in certain cases their related venture capital funds) and executive officer to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys’ fees, judgments, fines and settlement amounts, incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person’s services as a director or executive officer.

Our amended and restated certificate of incorporation and our amended and restated bylaws provide that we will indemnify each of our directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Further, we have purchased a policy of directors’ and officers’ liability insurance that insures our directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Stock Option Grants to Executive Officers and Directors

We have granted stock options to our executive officers and certain of our directors as more fully described in the section entitled “Executive Compensation and Other Information” and “Proposal 1—Director Compensation.”

Policies and Procedures for Related Person Transactions

Our board of directors has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related-person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, where the amount involved exceeds \$120,000, and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our audit committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm’s length transaction and the extent of the related person’s interest in the transaction.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended to be presented at our annual meeting of stockholders to be held in 2023, including nominations of any person for election to our board of directors, must be received by us no later than December 13, 2022, which is 120 days prior to the one-year anniversary of the mailing date of the proxy statement for the 2022 annual meeting, in order to be included in our proxy statement and form of proxy card relating to that meeting, unless the date of the 2023 annual meeting of stockholders is changed by more than 30 days from the anniversary of our 2022 annual meeting, in which case the deadline for such proposals will be a reasonable time before we begin to print and send our proxy materials. These proposals must comply with the requirements as to

form and substance established by the SEC in Rule 14a-8 of the Exchange Act for such proposals in order to be included in the proxy statement.

In addition, our amended and restated bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of any person for election to our board of directors not included in our proxy statement, to be brought before an annual meeting of stockholders. In general, notice that meets the requirements set forth in our amended and restated bylaws must be received at our principal executive offices not less than 90 calendar days nor more than 120 calendar days prior to the first anniversary of the preceding year's annual meeting. Therefore, to be presented at our 2023 annual meeting of stockholders, such a proposal must be received by us no earlier than January 25, 2023, and no later than February 24, 2023. However, if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice must be received no earlier than the close of business on the 120th day prior to such annual meeting and not later than the later of the close of business on the 90th calendar day prior to such annual meeting and the close of business on the tenth day following the day on which public disclosure of the date of such annual meeting was first made. If the stockholder fails to give notice by these dates, then the persons named as proxies in the proxies solicited by the board of directors for the 2023 annual meeting may exercise discretionary voting power regarding any such proposal. Stockholders are advised to review our amended and restated bylaws which also specify requirements as to the form and content of a stockholder's notice.

In addition to satisfying the foregoing requirements under our amended and restated bylaws, to comply with the universal proxy rules (once they become effective), stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 27, 2023, which is 60 days prior to the one-year anniversary of the date of the 2022 annual meeting. We intend to file a proxy statement and WHITE proxy card with the SEC in connection with our solicitation of proxies for our 2023 annual meeting of stockholders.

ANNUAL REPORT

Any person who was a beneficial owner of our common stock on the record date may request a copy of our Annual Report on Form 10-K for the year ended December 31, 2021, and it will be furnished without charge upon receipt of a written request identifying the person so requesting a report as a stockholder of our company at such date. Requests should be directed to Phathom Pharmaceuticals, Inc., 100 Campus Drive, Suite 102, Florham Park, NJ 07932, Attention: Corporate Secretary. The Company makes available free of charge on its website all of its filings that are made electronically with the SEC, including Forms 10-K, 10-Q and 8-K. These materials can be found at www.phathompharma.com in the "Investors & Media" section. Our Annual Report on Form 10-K does not constitute, and should not be considered, a part of this proxy solicitation material.

STOCKHOLDERS SHARING THE SAME ADDRESS

The rules promulgated by the SEC permit companies, brokers, banks or other intermediaries to deliver a single copy of proxy materials, or, where applicable, a Notice of Internet Availability of Proxy Materials, to households at which two or more stockholders reside. Each stockholder, however, still receives a separate proxy card if he or she receives paper copies. This practice, known as “householding,” is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our proxy statement and annual report or Notice of Internet Availability of Proxy Materials. If you would like to opt out of this practice for future mailings and receive a separate proxy statement and annual report or Notice of Internet Availability of Proxy Materials for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement or annual report or Notice of Internet Availability of Proxy Materials without charge by sending a written request to Phathom Pharmaceuticals, Inc., 100 Campus Drive, Suite 102, Florham Park, NJ 07932 Attention: Corporate Secretary or by calling (877) 742-8466. We will promptly send additional copies of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials can request delivery of a single copy of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials by contacting their broker, bank or other intermediary or sending a written request to Phathom Pharmaceuticals, Inc. at the address above or by calling (877) 742-8466.

OTHER MATTERS

We do not know of any business other than that described in this proxy statement that will be presented for consideration or action by the stockholders at the annual meeting. If, however, any other business is properly brought before the meeting, shares represented by proxies will be voted in accordance with the best judgment of the persons named in the proxies or their substitutes. All stockholders are urged to vote via the Internet, by telephone or to complete, sign and return a completed proxy card as soon as possible.
